

Transform your photography...

...and be inspired

ESSAOUIRA IMAGES - Photography Holidays in Essaouira, Morocco

Realise your creativity using Digital Photography in an exciting new place exploring unspoilt beaches, Berber villages and medieval medinas in and around this enchanting centre of culture 2 hours from Marrakesh.

Develop an interest in taking photos, enhance your skills after studying photography or step beyond the usual package experience, this is the holiday that offers vibrancy and spectacle for the aspiring image maker.

Your time in Essaouira offers the complete holiday experience and includes individual and small group tuition which will develop your love of photography.
